

## Logging in to Home Access Center

- Open Internet Explorer and type the following URL into the address line: <https://istudent.d303.org/HomeAccess/> or you can go to the district website at [www.d303.org](http://www.d303.org) and click Home Access Center under the Useful Links menu.
- If this is the first time you are logging in to Home Access Center, then you need to create a username and password, by clicking on the [here](#) link on the right hand side of the screen.

The screenshot shows a Windows Internet Explorer browser window titled "Home Access Center Login - Windows Internet Explorer provided by Community Unit School District 303". The address bar shows the URL "https://istudent.d303.org/HomeAccess/". The page content includes the "SUNGARD PUBLIC SECTOR" logo and the heading "Home Access Center Login". A form is displayed with a dropdown menu for "Select a District" set to "St Charles CUSD 303". Below this are input fields for "Username:" and "Password:", both marked with an asterisk. A "Log In" button is positioned below the password field. To the right of the form, there is instructional text: "Welcome to the Home Access Center. To begin, please enter your **username** and **password**." and "Welcome to Home Access Center! Please enter your login name and password." At the bottom of this text, it says "If you do not have a username and password for Home Access Center, you can register by clicking [here](#)."

- This will guide you thru creating your own username and password. Please be sure to use the city abbreviations as St Charles, S Elgin, or W Chicago. Click the Register button when this screen is completed.
- If you get an error message, that means the information that we have on file in the system for you, does not match what you have entered in. Please contact your child's school to get the information corrected in our system.
