## Winter Session of Lessons Featuring the QuickStart Tennis Format

**Ages:**  
**10 and Under**

**Levels:**  
**Beginners and Advanced Beginners**

### What is the QuickStart Tennis Format?

The QuickStart tennis format includes modified, age appropriate 36' and 60' courts, racquets and tennis balls. It allows for even the youngest participants to establish control and rally during their matches. For more information, please visit [QuickStartTennis.com](http://QuickStartTennis.com).

The QuickStart Tennis format is designed for players 10 and under. Children may begin the QuickStart tennis format as young as 3 years old. Please contact Tim Matacio to receive an evaluation on your child. The QuickStart tennis format uses teaching techniques incorporating foam balls, low compression balls, shorter racquets and smaller courts for use with beginners at any age level. Also, the 60-foot court is very effective for senior players to play singles or doubles.

### Times:

Classes are available every day. Sign up for the day or days and times of your choice. The club reserves the right to cancel classes if we do not have sufficient numbers of players for the class. There will be no more than 4 children for each instructor on the 36 foot court. There may be more than 4 children on the 60 foot court.

### Cost:

A session meets 1 hour per week for 8 weeks for \$100. Second child in family receives a 10% discount. Any additional siblings receive a 20% discount. Make checks payable to the "St. Charles Junior Tennis Association"

### How to Register/More Information:

Contact Tim Matacio at
